"Place your mind in the mirror of eternity; Place your soul in the splendor of glory; Place your heart in the figure of the Divine... And, through contemplation, transform your entire being into the image of the Divine One Himself... I am speaking about the Son of the Most High,... whom the heavens could not contain,... and the rest of creation together cannot contain their Creator and only the soul of a faithful person is his dwelling place and throne and this is possible only through... charity... For the Truth says: 'The one who loves me, will be loved by my Father, and I shall love him and we shall come to him and make our dwelling with him'." Vs. 12
